EXCLUSIVE HOMES

YOUR ONE STOP SHOP

In a short period of time Exclusive Homes has become a leading Jordanian company in the field of home interiors, with its exquisite style, designs, quality and service. Created by designers from Cyprus and Germany, the 1100-square meter showroom houses some of Europe's most prestigious and renowned brands.

Exclusive Homes, the brainchild of Firas Attieh, began upon his return to Jordan after spending 22 years abroad. He launched a boutique showroom of quality home designs parallel to that of his close friend Makis Askotis, who owns and runs Askotis Company, a pioneer in the field in Cyprus. The friends discussed the Cyprus model of transition from traditional and classical in style to contemporary and modern, realizing how successful the idea had become in Cyprus. The concept was quickly developed and another friend, Khaled Asfour, joined the two. Exclusive Homes was established in 2006, with the soft opening of the showroom located on Mecca Road in June 2007.

The Exclusive Homes showroom offers quality designer products to meet the demands of home interiors on two levels: medium affordable and top-of-the-line products from Germany, Italy, Belgium, Spain and Sweden. Exclusive Homes is dedicated to turning furniture shopping into an enjoyable experience, where all client needs can be found at one showroom in a comfortable spacious atmosphere with an emphasis on service, quality, and professional well-trained staff members.

The showroom is expected to double in size in the upcoming years, as well as becoming a major supplier to countless commercial and residential projects, with plans to establish a specialized division to handle project businesses.
